## GROWING GREENER, GROWING TOGETHER: SUSTAINABILITY, SOCIAL JUSTICE AND THE FUTURE OF THE PROGRESSIVE MOVEMENT

“Two problems confront us: social inequality and environmental destruction. Both problems are reaching crisis points. We act as if they are separate. But they are linked - economically, politically, and morally. The solutions and strategies for each must, therefore, be one.”

*Van Jones, “Two Crises, One Solution,” Yes! Magazine, Summer 2005*
